

Dual-configuration for quick charge with leak back absorbent protection
– avoid irritating hazardous shipment supplemental charges!

TW Dual Series Small Freezers

by IC Biomedical

- **Universal canister compatibility**
- **Fits in standard shipping boxes and containers**
- **Rugged ribbed high-strength aluminum body, magneformed necktube design and more durable paint**
- **Superior vacuum performance with insulation technology that delivers maximum holding times**
- **Lockable lid with enlarged opening for seals or securing ties**

Specifically designed for the every day requirements of laboratory and biorepository operations
